REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

For previously amended claim 1, it is noted that Applicants have now pointed^{out} the support in the specification at page 8, lines 17-23, which recites "foams with a substantially smooth surface can be produced in a single step. Accordingly, it is not necessary to bond additional layers to the foam in order to achieve a smooth-surfaced article." (Remarks, page 8, paragraph 4). While the smooth surface of the instant invention appears to be unexpected results, the Examiner notes that since the prior art reference Harman (US 5476712) requires additional outer layer to obtain smoothness, the instant invention is unobvious over, nor suggested by, Hartman.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Victor S Chang whose telephone number is 571-272-1474. The examiner can normally be reached on 8:30 - 5:00.
